REFERENCE

We, Clean Earth Technology, a company from the United States of America, hereby confirm that we have granted the distribution rights of our products and systems to Janis Siklis, SolSanno SIA for the whole territory of Baltic states.

As a result of Janis Siklis's marketing and promotion activities, two Magnum Spill Buster systems manufactured by Clean Earth Technology have been sold in Latvia up to date.

We consider Janis Siklis, SolSanno SIA as a good sales representative of Clean Earth Technology company and intend to cooperate with him in a long term distributor relationship.

More information about Clean Earth Technology can be found on our web site at:
www.cleanearth.biz.
