Reference

This is to certify that Baltic Sales Agency has supported HAASE Energietechnik with the market research on the Baltic States in the fields of anaerobic digestion and landfill technology.

Baltic Sales Agency has helped us in identifying key decision-makers and business contacts, arranging meetings for product presentation, forwarded up-to-date information on the market development and opportunities along with many more to assist our market entry.

We consider Baltic Sales Agency as a good sales representative of HAASE Energietechnik AG in the Baltics. Their working attitude is professional and we are looking forward to long term cooperation with Baltic Sales Agency in our forthcoming projects.
