

Rueil Malmaison, August 26th 2009

TO WHOM IT MAY CONCERN

We, VINCI CONSTRUCTION GRANDS PROJETS, subsidiary of the French Group VINCI SA, hereby confirm that we have been cooperating with SOLSANNO SIA in Latvia for our interest in the development of the Northern Crossing Project in Riga, with an estimated value in the range of 1 billion Euros.

We consider SOLSANNO SIA as a valid partner and we are looking forward to long term cooperation with SOLSANNO SIA in our forthcoming projects.
